Letter of Authority

To Whom It May Concern,

This is to confirm that Karly Howard-Wilkinson is organising a series of fundraising events in aid of Cancer Research UK. Karly very kindly organises the Bucks Counties Spectacular Show and a Ball, both of which have been successful fundraising events in the past, in which profits raised from the events have been donated to Cancer Research UK. I can confirm that both events are going ahead in 2020 and I am very excited to support Karly throughout the rest of the year.

Although Cancer Research UK is a national charity, we do not receive any government funding and rely on the generosity of the general public in order to carry out pioneering cancer research.

Our ambition is to accelerate progress and see three-quarters of people surviving the disease within the next 20 years. With your support we will go further and faster. We won't stop until cancer is beaten.

If you have any queries about the upcoming events, please get in touch with me using the details below and I would be happy to discuss further.

Yours sincerely,

Katie Beck
